

Call for Poster Submissions
2012 ACA Conference
“In Search of Archival Gold”
Thursday, June 7th 2012

High Country Inn
Whitehorse, Yukon

The ACA 2012 Program Committee is pleased to invite submissions of abstracts for poster presentations. Topics relating to the 2012 conference theme “*In Search of Archival Gold*” are especially encouraged, though other topics addressing any aspect of archives and/or records management will be considered. For more information on conference theme, visit the ACA website at <http://www.archivists.ca/content/program>.

A poster presentation is one in which information is summarized using texts and images, and presented in a poster format. This is an excellent opportunity to highlight your repository, a digitization project, a research project or other initiative, and share your work with your colleagues from around the country.

The posters will be on display, with trade show exhibits, at the High Country Inn on Thursday, June 7th 2012, during the afternoon from 3 to 5 pm. Up to 12 poster presentations will be selected by the Program Committee for display. ACA reserves the right to cancel the posters in the event that insufficient submissions are received

A poster should be 48” wide (121 cm), and up to 48” high (121 cm), and can either be professionally printed or created by hand. ACA provides the posters display stands (Afix display units, www.afx.ca). Successful applicants will receive additional detailed information about these display units with poster production recommendations, including paper type.

Please include the following in your submission:

- Your name, telephone number, postal address and e-mail address; and
- The title and abstract of your poster presentation (max 250 words).

We ask that you limit yourself to only one poster per submission.

The deadline for submissions is: **Monday, January 16th, 2012**

Questions and submissions should be sent to Catherine Bailey, Chair, ACA 2012 Program Committee, via e-mail: catherine.bailey@bac-lac.gc.ca
